A HUGE “Thank You” to Our UH Residents
For participating in the 2022 UH Tenant Satisfaction Survey!
We had the highest response rate ever at 39% in this year’s Tenant Satisfaction Survey. We thank everyone who participated in the survey. The TSS is a vital part of how we assess the resident’s quality of life. Thank you for voicing out your opinions. Every response paints a picture of how we are doing. The Tenant Satisfaction Survey officially ended on June 28, 2022. The final drawing for the grand prizes was held on June 29, 2022. CONGRATULATIONS TO THE WINNERS!

Summer Safety

- Don’t swim alone, know your limitations and capabilities
- Even if it’s hot outside, mountain-fed lakes and rivers here in the Pacific Northwest can remain very cold, hypothermia can set in within one hour
- Alcohol and sun can cause dehydration, practice caution if you begin to feel extremely thirsty, dizzy or fatigued
- According to the USCG, alcohol use was the leading factor in 18% of boating deaths
- Always let someone know where you are going and how long you will be gone
- Check out the Paddleboard, Canoe, and Kayak safety briefs on navylifepnw.com

Get out of your rooms to support and enjoy what LNC has to offer you. There are summer trips and events lined up for the junior sailors.
