

# AVERAGE HOME ENERGY USE

Source: 2010 Buildings Energy Data Book, Table 2.1.1  
Residential Primary Energy Consumption, by Year and Fuel Type  
[www.energy.gov](http://www.energy.gov)

A home energy assessment will show what parts of your house use the most energy and suggest the best ways to cut energy costs. Conduct a simple energy assessment for your home by filling out an Energy Assessment Questionnaire.
