2020 Resident Satisfaction Survey. It's almost time for the 2020 Annual Resident Satisfaction Survey (RSS)! **This year the surveys will be e-mailed to your personal e-mail address. Please make sure your email is up-to-date at the Front Desk.** This is your opportunity to provide input and let your voice heard so we can maintain or improve our services to you and your fellow residents. See your RA, Command Rep. or Building Mgr. for more information. The RSS is expected to launch in May.

United States Census 2020
What Is the 2020 Census? The 2020 Census counts every person living in the United States and five U.S. territories.

Importance of the Data. The 2020 Census will determine congressional representation, inform hundreds of billions in federal funding every year, and provide data that will impact communities for the next decade.

Impact in Your Community. School lunches. Plans for highways. Support for firefighters and families in need. Census results affect your community every day.

The UH Census is expected to begin mid-April.

SPRING is in the Air!!!

Warm temperatures are here and we all love a little fresh air. You are welcome to open your windows to let in the breeze, but **DO NOT REMOVE YOUR WINDOW SCREEN.** Removing the screen doesn't add to air flow and only increases the number of critters flying around your living spaces. Plus, screens are expensive to replace.

Bed Bug Reminder. If you suspect bed bugs are present in your room, please report it to your BPO or UH staff immediately, 360-257-4163/2799/4093.

Smoke Detectors. Please do not remove or tamper with smoke detectors. They are there not only to protect you but all residents in the building. Tampering with smoke detectors is a Federal offense and you are liable to pay for replacement or repair.

Save Energy. No self-installed air conditioners are allowed in any of the UH buildings. They will trip your breaker and cause you to loose power.

Smoking. Please use the designated smoking area. e-cigarettes are NOT allowed inside UH buildings as they pose a fire danger.

BRIGHTSIGN DIGITAL DISPLAYS

BrightSign digital display monitors will be installed in our UH lobbies this spring. What is BrightSign you ask? These are marketing monitors used to display helpful information on activities and resources that are available to our residents. Keep an eye out for them!

Bicycle Registration Lost or Abandoned Bicycles

Just returned from deployment and your bicycle is missing? As of 1 JAN, all unregistered bicycles in UH will be confiscated and stored off-site.

If your bicycle is missing, and you did not register it with UH Admin or the NGIS Front desk, contact the UH at 360-257-2799 or 5323 and we will see if your bicycle is in our abandoned bicycle storage.

All you need to register your bicycle is the serial number (usually located under the gears where the pedal is attached). After your bicycle is registered, you will receive a UH sticker and a special key card to the indoor bike locker.

When checking out of the barracks, you must take your bicycle and return the bike locker key card before your check-out can be finalized. Talk to the UH Civilian Staff for information about storing your bicycle.

See Something? Say Something!

All residents MUST immediately report to UH staff any suspicious activity, unauthorized items, and/or personnel in UH property. Resident Advisors are also available if needed. Know your Resident Advisor!

UH Policy Violations:

1 instance of destruction of Government property, resulting in captain's mast and reduction in pay.

PARKING: All UH residents are allowed to park anywhere on the UH Campus, including near the Skate Park, as long as the spots are not marked Yellow, Red, or Handicapped.

ABANDONED OR BROKEN DOWN VEHICLES: Will be towed at the owners expense.

LONG TERM PARKING: If you are going on deployment or a long absence, please park your vehicle at the Long Term Parking located near the Gym.

TROUBLE CALL REPORTING: Please report any concerns/trouble calls to your Building Manager, Duty Manager, Resident Advisor, or online at www.navylifepnw.com. We can only help you if you let us know of issues immediately. For EMERGENCY Trouble Calls you can dial 855-462-8322 (if there is life in danger or serious damage to property is imminent).

CHECK OUT PROCEDURES: Please notify your Building Manager at least 15 days before your scheduled check-out. This allows ample time so the procedure can be explained, making your check-out smooth and quick. If you need room repairs please notify your Building Manager.
