***NASWI'S MWR FEP PROGRAM:** The focus of the classes with asterisks are to help prepare the Active Duty Sailor to pass, improve or excel in all the aspects of the PFA – Strength, Cardio and Flexibility. These classes will use NOFFS concepts to develop a workout program for the Sailors who attend. Our instructors plan serious workouts that must follow all aspects of the OPNAVINST 6110.1K.

“CARDIO”

Cycle Power Hour: Push your limits and power through an energizing ride! This high-intensity cardio workout combines endurance, strength, intervals, and speed training—all set through motivating music that keeps you moving.

“FUSION”

Body Blast: Crank up the intensity with fast-paced, full-body workout! Body blast combines strength, cardio, and core training to maximize calorie burn while building lean muscle and boosting endurance.

Bootcamp: This workout will surely get the sweat pouring! Definition of bootcamp in the dictionary is “a short, intensive, and rigorous course of training.” Be ready for a cardio and strength challenge!

HIIT: High Intensity Interval Training. This class is a total-body program that incorporates strength training, cardio, and core work. It challenges your entire body with timed high intensity intervals and short duration exercises.

NOFFS (Navy Operation Fitness and Fueling Series)/FEP: Using the latest sports science methodologies the logic engine for NOFFS combines both human performance and injury prevention strategies, resulting in safer training while yielding positive human performance outcomes.

Wild Card: A mix of different classes and modalities (cardio/strength/kickboxing/etc)

Pedal & Pump: A high-energy full body workout that includes interval training of both cycle and strength exercises, guaranteed to leave you sweaty and strong! 30 minutes of indoor cycling and 30 minutes of strength moves utilizing TRX or other weights.

Butts & Guts: Target, tone, and tighten! This high energy workout focuses on strengthening your core and sculpting your glutes through a mix of strength, endurance, and functional training.

MixedFit: A total workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class.

“FLEXIBILITY”

Yoga: Whether you're in the mood for relaxation or wanting to advance further, this class will ease your body into its youthful state of flexibility while increasing lower body and core strength, balance and flexibility.

Tai Chi: A gentle, flowing practice that combines movement, breath, and mindfulness. This low-impact class is designed to improve balance, flexibility, strength, and overall well-being. Perfect for all fitness levels.

“STRENGTH”

Strength Surge: Be ready to fatigue all your muscles (upper & lower body) for stronger more sculpted muscles while at the same time receiving cardiovascular benefits. This is a low impact class but you will surely break a sweat!

TRX® : Born in the Navy SEALs, Suspension Training bodyweight exercise develops strength, balance, flexibility and core stability simultaneously. A great full body workout for ALL levels!

500/1000 lb Club: Here is your opportunity to show how much you can squat, deadlift and bench press. Totals must add up to 500 for women or 1000 lbs for men or women. Done in the NOFFS Zone. Sign up via email.
