

A little info about the Youth Activities Center

School-Age Care Program

Our SAC Program provides before and after school care for grades K-5. During the summer and school vacations, day camps are available. We provide structured recreation and learning activities, offering field trips, life skills, academic support, fine arts, physical activities and various activities.

Teen Program

The Teen Program offers an Open Recreation Program for teens grades 6-12. Every day after school, teens come to the Center and enjoy hanging out with friends and participating in a variety of activities. We have lots of equipment such as pool tables, ping pong, video games and more. We offer programs such as photography, arts, recreational sports and academic tutoring. There are also many trips and special events such as dances. Most of all it's a great place to hang out and make new friends.

Moving is hard but it's also a time to...

Meet new friends

Find new hangouts &

Explore interesting places

It's tough to be the new kid in town...

The **Youth Sponsorship Program** was created to help youth be more comfortable when they move to a new area.

We know that it's difficult to leave your school and friends to move to a new place. That is why we want to help make your transition a little bit easier.

Request a youth sponsor - we will do our best to match you with another youth based on your age/grade and interests. Your sponsor will contact you throughout your move and be here to meet with you after you arrive.

It's easy to join the fun. All you have to do is...

Fill out a Youth Sponsorship Request Form. You can get the form by calling, emailing or accessing them from our Facebook page. Be sure to have a parent or guardian sign them. Then mail the form to the Youth Center address listed on the back of this brochure.
