## ANNUAL TENANT SATISFACTION SURVEY

The Navy will conduct a Spring 2025 Tenant Satisfaction Survey (TSS) for all Permanent Party tenants of our barracks facilities. More information regarding survey schedule and survey process is forthcoming.

### IMPORTANT

Please notify the UH Front Desk if your Rank, or the email address you provided when you first checked-in, has changed.

## Winter Weather Preparedness ❄️

Winter can bring a variety of weather challenges, especially in colder climates. Here are some key tips to help you stay safe and comfortable:

- ✓ **Layer Up:** Be sure to dress warmly in layers, especially when heading outside. Keep extra blankets and warm clothing handy in your room.
- ✓ **Room Maintenance:** We're here to help! If you notice any drafts, heating issues, or maintenance needs in your room, please report them promptly. For routine maintenance, use the QR code on your door. For urgent and emergency issues, call the Front Desk at 360-257-5513/4163.
- ✓ **Emergency Supplies:** Ensure you have a small supply of essentials (water, non-perishable food, and a flashlight) in case of inclement weather or power outages.
- ✓ **Road Safety:** If you're traveling during the winter months, check road conditions, use winter tires if possible, and always carry an emergency kit in your vehicle.

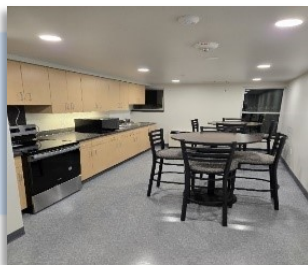

## BUILDING 2701 RENOVATION PROJECT

Phase 1 of the renovation of Building 2701, C&D wing, is now complete.

E-4 tenants were moved in on 12/3/24.

For phase 2, A&B wing was turned over to the contractor on 1/3/25.

**\*Trash compactor in Bldg. 2701 has been returned and will be operational by 1/10/25. The dumpsters located in the row barracks are scheduled for removal on the same day.**

## BULKY GARBAGE (e.g. couches, chairs, tables, light fixtures, etc.) 🗑️

Anything you purchased that is more than just general daily garbage cannot be dumped on-base. You'll need to transport this material to a county facility. **The good news:** There's a county transfer station located right off the base at 3151 N. Oak Harbor Rd. They're open Saturday, Sunday and Tuesday, 0930 -1700, except some holidays.

### RESIDENT ADVISOR PROGRAM

Do you know who your RA is?

Each building has assigned RAs to mentor, counsel and assist in maintaining good order and discipline; as well as accelerate adaptation of junior service members to their military life.

RAs are typically in pay grades E6-E9, have gone through the Unaccompanied Housing Assignment Review Board (UHARB) process and approved by the Installation CO, before given the position. You might notice them walking around the building after working hours to ensure nothing is out of the ordinary.

Get to know your RA!
