### SCHOOL LIAISON

When it's time to relocate, we're here to help the transition go as smoothly as possible for your children. Our School Liaisons help families with children in pre-kindergarten through 12th grade. They assist with everything from a school transfer and homeschool support, to meeting graduation requirements. For our elementary, preteen and teen community, the Youth Sponsorship Program adds in element of social support. We strive to contact youth before they move, so when they arrive, we can immediately connect them with peers who are already participating in the installation, school or community programs. # NAVY SCHOOL LIAISONS

Connecting Military Families, Commands and K-12 Schools

## Did you know?

School transition and deployment support is a Navy readiness and retention issue. The Navy benefits from having Sailors who are able to focus on their duties, whether ashore or deployed.

- Navy families move their children an average of every 2.9 years.
- Children of military personnel attend up to nine different schools by graduation.
- Military families are reluctant to disrupt high school youth in their senior year.
- Deployments can impact educational outcomes of children.
- Many families decide to "separate geographically" to keep children in their current school.

## Families, Contact Your School Liaison for Help with:

- Inbound/outbound school transfers
- Youth sponsorship
- Local schools and boundaries
- Finding the right school
- Understanding special education
- Meeting graduation requirements
- Finding military and local support services
- Homeschooling support
- Preparing for college and scholarship information

## Navy School Liaisons Provide SEVEN CORE SERVICES to Assist Families:

- 1 School Transition Services (PCS Cycle):** School Liaisons assist families with school transfers and help "level the playing field" for military children and youth.
- 2 Deployment Support:** School Liaisons connect educators with the military deployment support system to inform them about the cycles of deployment and the tools available to assist educators in working with military children.
- 3 Command, School & Community Communications:** School Liaisons serve as subject-matter experts for installation commanders on K-12 issues, helping to connect command, school and community resources.
- 4 Homeschool Linkage and Support:** School Liaisons assist military families by gathering and sharing information on home-schooling issues, policies and legislation from local school districts, and help leverage military Child and Youth Program resources to support these families.
- 5 Partnerships in Education (PIE):** PIE creates a volunteer network of resources to support installation and community members who have a vested interest in the success of all youth.
- 6 Post-Secondary Preparations:** School Liaisons leverage installation and school resources to provide graduating military students with access to post-secondary information and opportunities.
- 7 Special-Needs System Navigation:** School Liaisons provide information about installation and community programs and services, make referrals to the Exceptional Family Member Program (EFMP), and offer assistance in navigating the administrative systems within local education agencies.

# NAVY CHILD CARE PROGRAMS

**Learn about military child care programs and quality care.**  
 Choosing child care may be one of the most important decisions you'll make as a parent, and it can be hard to know where to start. Learn more about military child care program options and helpful resources below.

## Start Here: MilitaryChildCare.com

MilitaryChildCare.com is a DoD website that helps families find and request military-operated child care anywhere in the world. Search for full- and part-time care, including before- and after-school care, as well as summer and holiday camps. Get started by creating an account at [MilitaryChildCare.com](http://MilitaryChildCare.com) and submit a request for care.

## Child Development Centers, Family Child Care Providers (FCC) and School-Age Care. You have options.

Child development centers, or CDCs, are located on installations and generally offer care for infants through pre-school age children. Family Child Care Providers (FCC) are certified professionals who provide child care for infants through school-age children in their homes, located either on or off an installation. School-Age Care, or SAC, programs provide care to children in kindergarten through sixth grade.

## Hourly child care? You've got it.

Through Military OneSource, parents now have free access to a national database to search for hourly, flexible and on-demand child care. You can even interview caregivers through the service. It's easy to access and is a virtual solution that allows you to choose, hire and pay providers on your terms.

## Child Care In Your Home Fee Assistance Program

Fee assistance for families who have determined that full-time, in-home child care is the best solution to meet their needs.

*The Child Care in Your Home pilot program has a limited number of child care spaces and is only available in select locations. For assistance, call Military OneSource consultants, available 24/7/365, at 800-342-9647 or schedule a live chat.*

## Military Child Care in Your Neighborhood

### Fee Assistance for Community-Based Child Care

Serving U.S. Navy Families

As a military parent, you want access to affordable, quality child care. You may be eligible to receive fee assistance through Military Child Care in Your Neighborhood (MCCYN). The Department of Defense offers fee assistance to reduce the out-of-pocket expense of child care in the community.

*Paying full price for community-based child care? Your caregiver may be eligible to join the DoD program.*

## EMOTIONAL SUPPORT SERVICES

We all experience ups and downs in life. At some point, just about everyone needs help coping with stress caused by life's many challenges. Stress can be caused by work, family hardships, marital conflicts, parent/child issues, money concerns, frequent moves, health and environmental factors, and other difficulties. Talking about our problems with family or friends can be helpful, but often this just isn't enough. Sometimes it helps to talk to an experienced counselor.

Fleet & Family Support Centers (FFSC) offer confidential (the command is not notified) counseling by professional, licensed clinicians. FFSC clinical counselors hold a master's or doctorate-level degree in counseling, social work or psychology. Their professional services are free of charge to active-duty personnel and family members.

If you are troubled and need someone to talk to, just ask FFSC for an appointment. You do not need a referral from your command or health-care provider. Visit your FFSC or scan the QR code to learn more.

## PARENTHOOD

Becoming a new parent is a time for excitement and joy as well as confusion and anxiety. So many questions come up and even worse, there are usually a million different answers! If you are feeling anxious, this is common and you are NOT alone.

New Parent Support Staff, part of the Fleet & Family Support Center, can assist you with in-home visits after the baby is born to help smooth the transition to new parenthood. New Parent Staff can also help with parenting toddlers and preschool children up to age four.

To better prepare for the changes in the family dynamic, FFSC offers comprehensive parenting programs and early child development education classes to help foster healthy parenting practices so you can thrive as a healthy family.

Homecoming can also shed light on problems in a relationship, and FFSC understand those hurdles too and can provide support and resources to assist.

Any point of a deployment can be uniquely difficult and FFSC is here to help you get through it. Visit your FFSC or scan the QR code to learn more.

The time you have spent in the military has extraordinary value in the civilian workforce, and there are resources to help you climb your next career ladder. Navy leadership is committed to effective transition assistance for all Sailors separating from the Navy. Note: Active duty must sign up through their Command Career Counselors.

Retirement planning might not be as easy as you think. Wherever your transition takes you, FFSC can help. Visit your FFSC or scan the QR code to learn more.

### FINANCIAL PLANNING

Poor financial health can lead to diminished operational readiness, loss of security clearance, decreased choice of duty locations, administrative discharge, anxiety, stress and other negative effects. Compare this to the positive effects of good financial health that comes from knowing how to managing your personal finances: Freedom from anxiety. Freedom from stress. Freedom to do your best at your job in the Navy and advance on time.

Fleet & Family Support Center (FFSC) has Association for Financial Counseling & Planning Education (AFCPE) accredited financial counselors on staff to assist you! Our highly qualified Personal Financial Managers (PFMs) provide courses and individual consultations for personal financial management, as well as provide General Military Trainings (GMTs) and Command Financial Specialist (CFS) Training.

### MOVING & RELOCATION

Everyone in the military moves at one point or another. Preparation for such a big change is essential to the well-being of every military household. Whether you are settling in or departing, Fleet & Family Support Centers (FFSC) can help ease your transition to a new base.

If you are new to the area, FFSC should be your first stop. Grab a hospitality kit, brochures, maps and phone directories for the local area. We have a career center with Internet access and classes to help you find the right career for your family. We understand the housing, schools and resources you need to settle into your new home.

For those leaving the area, we offer Smooth Move classes and relocation workshops that can help plan for success. We have counselors for individuals or families who have trouble transitioning. Our career center can help you transfer your license to a new state or the tools to look for a new job when you get there.

Visit your FFSC or scan the QR code to learn more.

### EXCEPTIONAL FAMILY MEMBER SUPPORT

The Exceptional Family Member Program (EFMP) ensures service members will be assigned to a location where the special needs of the family will be met. EFMP is a mandatory program for spouses, children, and dependent family members, who require special medical, psychological, or educational services.

The Exceptional Family Member will then be assigned a category according to diagnosis, availability of care and intensity of care. Category 1 is the least complex, while 5 is the most complex, Category 6 is for temporary placement in the EFM program, for example, high-risk pregnancy or a premature infant.

The category assigned to a family member will impact what duty stations a family can accompany their service member, however, enrollment in EFMP does not affect one's career, as promotion boards are unaware of EFM status.

The Fleet & Family Support Center can help with the needs of the whole family and the challenges families might face. Visit your FFSC or scan the QR code to learn more.
